

**DELHI PUBLIC SCHOOL, VINDHYANAGAR
CELEBRATES
BRIGHTEST JEWEL IN THE CROWN**

Dr. Janardan Pandey, Principal, DPS Vindhyaganar Congratulates Ms. Surbhi Sachdev on behalf of the Fraternity of DPS Vindhyaganar and Wish her all the best in her Future Endeavour.

Miss. Surabhi Sachdeva D/o Dr. J Sachdeva CMO, Shaktinagar and Dr (Mrs) Sachdeva achieved a spectacular academic record as a scholar at DPS Vindhyaganar.

She was a student of the Sciences qualifying for International Physics Olympiad not once but thrice which took her to Mongolia, Bangkok and Malaysia. She qualified for IIT, Powai taking up Engineering Physics and she excelled in her field of interest.

Surabhi Sachdeva a lady to her fingertips accomplished herself in the challenges she faced and emerged a victor.

As a research scholar in California Institute of Technology in California she made a remarkable and noteworthy contribution in Physics a subject she loves and holds dearly to her heart.

She has echoed **Einstein's Theory of Existence of Gravity Waves in the Universe and confirmed the existence of Gravity Waves**. She has been highly acclaimed for her distinguished contribution in Physics and to the World at large. Interested readers can find her at
